MinewTag	Application	Data Presentation Customer Interaction
	platform	Data Storage Retrieval, Usage Business Planning Security, Maintenance
	web	Access and transmission networks
	device	Information Collection Information Processing

## Smart Office Solution

### MinewTag Smart Office Solution

#### Minewtag Cloud Platform

Cloud Data Center

Device Management

Operation Platform

Security Maintenance

API Intergrating

BLE5.0  
http/https

WiFi  
2.4G Private Agreement

MQTT

IoT Gateway

Double-sided digital sign

Multiple sizes  
Industrial storage labels

mmWave radar

Temperature  
Humidity Sensor

# Solution Logic Architecture

## Steps for integrating with other systems:

- Understand the customer's functional requirements, and provide customized solutions of corresponding API according to the requirements.
- Customer provides the corresponding API of other systems to Minew, and Minew provides the corresponding API based on the independent Minew Cloud Platform.
- After the completion of system integrating, you can control all kinds of device on customer's system.

# Paper Labels VS E-labels

## Paper Labels

- Paper Sign
- More Errors and Inaccuracies
- Time-consuming
- Paper-driven Processes

## E-labels

- ☀ Not fear of frequent attendees' changes
- ☀ Reduces cost
- ☀ Synchronized information updates
- ☀ Eco-friendly
- ☀ Improves brand image
- ☀ Fast updates with Bluetooth®5.0

# Application of digital office sinages

Connect with OA, ERP system to realize the integration of office management.

► 1.54" 2.13" 2.66" 2.9" 3.5" 4.2" 5.8" 7.3" 7.5" 11.6" 13.3" 31.5" Multiple sizes labels

► double-sided display, full-color display, customized buttons, low temperature resistance, and waterproof various features

# Conference Management

V-shaped Digital Conference Sign

## 1. BLE 5.0 Technology:

Fast refresh speed and good stability.

## 2. V shaped dual-sided screen:

Support Black/White/Red/Yellow/Blue/Green/Orange display.

## 3. Charging with Type-C:

Last for 8 months on a single charge.

## 4. Multi color LED strip lights:

Different colors show different states.

## 5. High hardness panel and Aluminum alloy shell:

High-end conference table card .

# Conference Management

## T-shaped double-sided digital sign

(Side view)

(Front view)

### 1. BLE 5.0 Technology:

Fast refresh speed and good stability.

### 2. E-ink display:

Support Black/White/Red display.

### 3. DIY templates:

Support customized display of QR code, barcode, picture and etc.

### 4. 90 ° angle folding:

Support convenient folding for storage.

### 5. Dual-sided screen display:

Customize different contents displayed on both sides.

# MinewTag Base Station & ESL High Interference Immunity

## Communication Technologies.

- **Direct Sequence Spread Spectrum** with super anti-interference capability, extremely high working reliability and confidentiality
- **AES-128 encryption** with highly secure and ensures data transmission safety.
- **automatic frequency hopping connection** in 2.4G channels separated from WiFi, fixed on three channels 2402, 2426 and 2480 for efficient broadcasting to avoid signal interference.

# Office Space Management

## Office reservation

- \* Integrate OA system, register information, book office space
- \* Automatic refresh of e-labels and display reservation information

## Regional positioning

- \* Flashing LED lights indicate location

# Archives & asset management

## Information synchronization

- \* Rapid updates, paperless office
- \* Backend data management, batch import and export

## Location indicator

- \* Intelligent flashing reminder of LED lights
- \* Lighting duration and brightness control

## Authority management

- \* Permission assignment by demand

# Minew Smart Office Solution Advantages

## PC control, batch update

Support excel file import, and realize batch refresh of multiple devices.

## Customize template

Massive templates are stored, optionally configured. Customize the display content and refresh the content with one click.

## Mobile terminal control

The mobile app logs in, updates online, and refreshes information synchronously.

# Massive Template & DIY Template

The image shows a white tablet displaying the MinewTag Bank logo and contact information. The logo features a red stylized flower icon followed by the word 'MINEW' in red. To the right of the logo, the text 'MinewTag Bank' is written in a large, black, sans-serif font. Below this, a red rounded rectangle contains the text 'John Howard' in large, bold, black letters, and 'Financial Manager' in a slightly smaller, bold, black font. To the left of the red box, there is a small portrait photo of a woman with short dark hair, wearing a black blazer over a white top. At the bottom of the tablet screen, a red bar contains the text 'Official Site: www.minewtag.com TEL: 86(755)-21038160-695' in white. A barcode is located in the bottom right corner of the red bar.
